

RBA Social Distancing Guidelines

Please adhere to the following recommendations, as well as CDC Guidelines, so that we can have a complete and successful tournament!

- Parents should monitor their child's temperature the day of the practice/game. Anyone with a temperature above 99.6 degrees, a cough, or other symptoms of illness may not be at the fields.
- Bleachers are OFF LIMITS TO SPECTATORS! Please spread out around the sideline fences and outfield fences to maintain 6ft. from other households.
- Athletes are not required to wear masks over their mouths/noses. Spectators are encouraged to wear masks according to state guidelines.
- Players should hang their bags along the outside of the fence, one post (6ft) apart.
- Players should not all gather in the dugout. While on offense, the next three batters up to bat should get ready and may wait spread out in the dugout. The rest of the team should be spread out outside of the fence by their bag. Athletes need to pay attention to foul balls!
- All athletes must use only their own equipment, including their own helmet, bat, glove, and fielder's mask (softball).
- Catcher's equipment that needs to be shared should be wiped down between players.
- If a child cannot get their own bat or helmet, talk to their coach.
- Players should bring their own water, and not share a jug for the team.
- Post game snacks should be brought by individual players, or purchased at the concession stand, and not brought by one player for the whole team.
- **No** seeds, spitting, gum or suckers are allowed.
- **No** shaking hands or high fives at the end of the game.
- The concessions stand will be extremely limited, items will be sold by donation only.
- **A COVID waiver is required** to be signed by both parents/guardians of each player before they are allowed to play or practice.
- RBA Board Members are to help enforce these guidelines at the park.
- These guidelines will be reviewed by the Board frequently, and changed in accordance with State guidelines as the Board sees fit.

Let's Stay Safe and PLAY BALL!
